A QUEST THAT IGNITES THE HEART

Excerpts

"The Spiritual Baptist songs are with African rhythms and sweet melodies. This I embrace all my daily life and preach to all those who I come into contact with. I have been preaching the Spiritual Baptist Faith for thirty-five years and will continue my endeavours to share the richness it possesses."

"In my young adult life, if God had not been my help and if prayer had not been my food, I would not be alive. In my adult life, prayer sustains me and covers me in everything I say and do. Thanks be to God! At nearly every function I attend, I open or close in prayer if I am not the speaker. Through my prayer life, the gift of healing is manifested."

- Her Grace Archbishop Dr. Deloris Seiveright

A Personal Journey

Shouters Youth Entrepreneur Program (SYEP)

Shouters runs an entrepreneurial program for the youth which is aimed at providing guidance through skill development workshops, that are facilitated by various professionals. The program is coordinated by Archbishop Seiveright, along with the assistant coordinator Alex Owusu-Ansah for youth between the ages of 18 and 30. This program lasts 10 months and enables 8 students to attain a successful launch of their individual business ventures. The youth's accomplishments is honoured by family, friends and program supporters at their graduation which is usually at the end of the program.

Youth Graduation & Concert

The 11th SYEP graduation and the 24th annual gospel concert was a huge success. The youths were congratulated on their success as new entrepreneurs by the audience. Congratulations to Archbishop Dr. Deloris Seiveright on her Queen's Diamond Jubilee medal, presented to her by Hon. Margaret Best MPP. The gospel concert on the other hand brought joy and happiness to the crowd. The songs sang at the event captured the hearts of the audiences and even participated in the concert.

Bus Trip

On June 2nd we took our annual bus trip to Pennsylvania. As always our trip was a success. A huge thank you to everyone who came and helped make it happen. A special thanks to Sister Margaret Mentor.

24th Church Anniversary

Shouters Baptist was established in Canada in 1974; from 1984 to 1988 Dr. Deloris Seiveright assumed supervision of Shouters from Trinidad and Tobago. Since 1988 Archbishop Seiveright has overseen (8)NESBF churches in Toronto, Ontario as well as Montreal, Quebec. Achieving such a feat would not be possible without the great support from the community.

We have added two new churches and four ministers. Congratulations Shouters on 24 years!!

Baptism 2012

On July 1, 2012, we added three members to the church. It was wonderful spirit filled baptism.
